

Pre-Announcement

Interreg IVB project SAIL will organize her working session and final conference

Setting SAIL to Hybrid Shipping

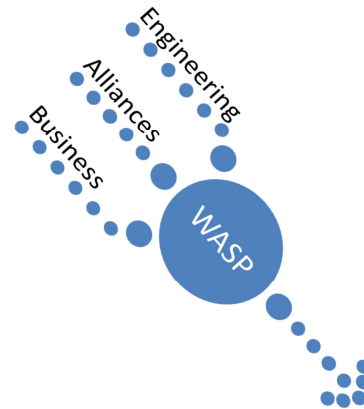

Wednesday, 22 April 2015

Venue: [Deltares, Delft](#), The Netherlands

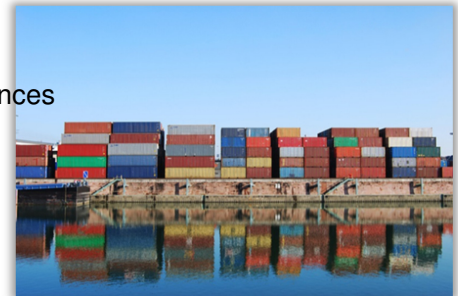

WHAT WE HAVE

- Optimized hulls and riggings
- Velocity prediction data
- Performance data
- End consumers valuing sustainable transport
- Tribe managers making it happen
- On longer term rising oil prices
- Finance of financial gaps; European programs

WHAT WE WANT

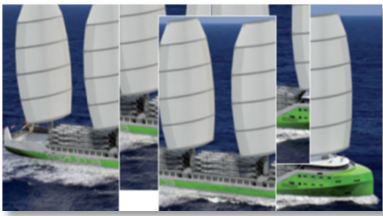

- First movers in freight
- First movers amongst ship owners
- Builders of the first ship
- The REAL LIFE TRIAL: first Ecoliner for measuring performances
- Low carbon shipping

AND

- This conference is free of charge.
- More information about the project [SAIL](#) or [Ecoliners](#)

This SAIL conference is integrated in the [BlueWeek 2015](#), from 20 to 22 April 2015. The BlueWeek is hosted by Deltares in Delft and co-organized by MARIN. It provides a platform to discuss sustainable energy in shipping and offshore. We recommend you to join the Public seminars regarding 'Marine Renewable Energy' and 'Natural Propulsion' on Tuesday 21 April
